Service-Learning Faculty Fellows Commitment Form

*For individual faculty members or teams—please use a separate copy for each faculty member in a team.*

Name: __________________________________________________________________________

Title: ___________________________ Department: ________________________________

Proposed course number and name: ________________________________________________

First semester the course will be offered with a Service-Learning component:  ___ Spring  ___ Fall

I commit to the following:

1. Participating in eight monthly Service-Learning Faculty Fellows seminars on Friday afternoons in the Spring and Fall semesters, plus two meetings with the Service-Learning Assessment Fellows and the Holyoke Community College Service-Learning Faculty Fellows;

2. Submitting a syllabus for the new SL course when I begin it and a report on the course and its assessment after the first time I teach it; and

3. Teaching the course at least twice over the next three years. *(Note: for members of a team developing a sequence of courses, each member commits to teaching their course regularly as it comes up in the sequence, which, given initial planning time, may take a little longer than 3 years for it to be taught twice.)*

Signature: ___________________________________________ Date: ____________________

**Department Head or Chair's Statement of Support:**

I support the application of the faculty member named above to the Service-Learning Faculty Fellows Program for Spring/Fall 2013. If the application is accepted, I support the proposal for developing or converting the course named above into a Service-Learning course offered in our department. I agree that the Service-Learning course supported through this grant will be offered at least twice in the next three years—or if a sequence of courses is proposed by a team, that the courses will be offered on a regular basis.

Name (Typed or printed): _______________________________________________________
